Dear Ms. Barton:

Congratulations. On behalf of the state of Washington I am granting final approval to the NRC/NRCES oil spill contingency plan. Thank you for completing the aerial surveillance phase-in requirements under WAC 173-182-321(3) and your annual update. The plan meets Washington's statutory and regulatory requirements and must be maintained in an accurate condition. Please add a copy of the enclosed certificate to the front of each plan as proof of compliance. This approval expires on November 27, 2022.

Thank you for your cooperation. If you have questions, please contact your plan compliance specialist, Erica Bates at (360) 407-6956 or at erica.bates@ecy.wa.gov.

Sincerely,

Linda Pilkey-Jarvis
